*Treehouse Series Promotional Catalog*

Our Treehouse Series is the most versatile play set system in the world. You can create limitless combinations from our most popular Treehouse forts, enclosures, and accessories. As a special promotion, we've taken some of our most popular Treehouse features, the Playhouse Package and Porch, and created eight packages loaded with play value.

These packages are available for purchase through most of our dealers between \$3,499.00 and \$4,999.00, and the best part is these prices usually include installation! Please contact your local dealer for more information about our special promotions and prices, as availability may vary by dealer.

We've also incorporated our best engineering and highest quality materials into our Treehouse series. We use 100% cedar for long-lasting durability and back every Treehouse play set with our Limited Life-Time Warranty. Our compression clamps are the strongest construction system and have been tested to be more than twice as strong as non-clamped joints. In addition, these compression clamps make it easy to add higher levels as your children grow.

A Treehouse play set is an investment in your child's future. You'll see firsthand how your children become stronger, healthier, and happier as they play on a Backyard Adventures Treehouse. Ask your local dealer to help you create a custom Treehouse that will make lasting memories for you and your children.
